

INSTALLATION INSTRUCTIONS: CARGO DOOR LOCK (KEYED/COMBO) & (STANDARD/HEAVY DUTY)

INSTALLING THE CARGO DOOR LOCK

1. Determine an easy access location to install the Cargo Door Lock. Installation can be in a manner so you can slide it up the locking bars to unlock.
2. Separate the two halves of the Cargo Door Lock aligning them so the lock mechanism and holes are both facing downward.
3. Install one half of the Cargo Door Lock on each doors' locking bar. (Figure 1)
4. Slide the two halves together by inserting the smaller tube into the larger tube. (Figure 2)
5. Secure the Cargo Door Lock as tight as possible on both doors' locking arms and depress the locking button with key removed or turn dials.

NOTE: Minor adjustments may be made to align the locking pin and holes.
Combination Code Reset Directions Included (Separate Sheet)

REMOVING THE CARGO DOOR LOCK

1. Insert key and turn it one quarter turn in the clockwise direction or turn dials to your preset combination and press inward. The lock mechanism will "pop out". If there is pressure on the locking pin, a slight adjustment of the two halves may be necessary to free the pin.
2. Return key one quarter turn counter clockwise and remove. (If keyed type) Secure your keys in a safe location.
3. Separate the two halves of the Cargo Door Lock by sliding them away from each other and remove from the door. (Figure 1)
4. Once removed, re-insert the small tube into the larger tube with the lock mechanism and holes aligned.
5. Depress the locking mechanism and store your Cargo Door Lock in a location to allow for safe equipment operation.

WARRANTY INFORMATION

The Equipment Lock Company(TELC) Limited Warranty hereby warrants the original purchase of any new TELC device that the device shall be free from defect in material and/or workmanship. This warranty shall last for a period of one year(365 days) from the date of purchase. Should any such defect arise within the warranty period, TELC shall replace the defective device with a new one of the same type.

Under no circumstances, however, shall TELC be required to refund the purchase price of any device. The warranty does not cover any failure of or damage to the product resulting from accident, misuse or alteration of the product or failure to follow manufacturer's operating instructions.

This warranty does not cover damage caused by use of any attachment not original equipment of the product. TELC will not be liable for damages or costs associated with the loss of keys or number code. TELC will not be liable for any damage, injury or loss caused by the use of the product other than indicated in the manufacturers' instructions. **TELC will not be liable for any damage, injury, death or loss caused by the use of the product.**

TELC will not be liable for any damage to the interior or exterior of a machine, equipment or property caused by product and shall not be liable for loss of or damage to a vehicle, property or its contents.

TELC disclaims any liability for loss of or damages resulting from delay or loss of use and service, or repair, or for loss or damaged devices, or for any incidental consequential negligence or other fault on the part of the manufacturer or others. The implied warranties on this product shall be in effect only for the duration of the expressed warranty period as set forth above and thereafter, there shall be no warranties, either express or implied, including warranties of merchant ability or fitness for particular purpose on TELC products.

Install and remove TELC products only after all moving parts are safely on the ground, the parking brake is on and the engine is turned off. Dispose of or store properly any keys. TELC will not send additional keys after the purchase of a locking device unless requested in writing. TELC will not be held responsible for loss or damage to device, machine, equipment or property, if keys are lost or stolen or if combination codes are forgotten.

TELC products cannot stop all theft, but certainly can prevent theft in most cases. Additionally, TELC products may prevent vandalism, joyrides, and other trades from borrowing your machine. Contact your insurance agent to learn of a deduction you may be eligible for by using these products. Or, have your insurance agent contact TELC directly.

TELC will not be liable for any damage, injury, death or loss caused by the use of the product.

All of the Equipment Lock Company products are patented or patent pending.
